

Sacré Cœur
School of the Sacred Heart

Science, Mathematics and Creative Arts Scholarships Application Form

Years 8 and 9
2024

Building Brilliant Minds

At Sacré Cœur, we are committed to educating young women across a broad range of subjects, just as our foundress, St Madeleine Sophie Barat was in the 19th century. This was very unusual for a woman of the time. Sophie was also passionate about ensuring young women, regardless of their background, were offered the opportunity of a Sacred Heart education.

The opening of our new STEAM Centre, the St Madeleine Sophie Barat Centre, gives us the privilege of honouring her legacy by offering scholarships to students who show passion and excellence in Science, Mathematics and Creative Arts. These scholarships offer the opportunity of a Sacred Heart education for students commencing in Years 8 or 9 in 2024.

This form should be completed after reading the following notes.
Please complete all sections of the form and print clearly.

Student Expectations

Successful applicants will be expected to:

- Be positive communicators and hold a passion for learning and new experiences.

- Actively support the Creative Arts Learning Areas i.e. provider of student generated artwork when requested, spokesperson at Open Events.

Application Process

Application Requirements for all Scholarships

1. Register for the Academic Test via our website at www.sac.vic.edu.au. Payment of a \$120 fee is required. The Academic Test is scheduled for Saturday 11 February 2023.
2. Parents are to complete all sections on pages 4–5 of this application form. Please print clearly.
3. Provide copies of your daughter's most recent NAPLAN results and her last two school reports.
4. Student is to write a personal statement to give insight into who they are and what their interests and passions are. (250–500 words)
5. Share any other information or experiences that you think would be relevant or helpful for your application.

Additional Application Requirements for Science and Mathematics Scholarships

1. Discuss an innovator, scientist or mathematician who inspires you. How have they made an impact and what do you think that impact means today and into the future? (250 words)

OR

Discuss an innovation or discovery that inspires you. How has it made an impact today and what does it mean for the future? (250 words)

2. Provide evidence of achievement, involvement and passion for Science and/or Mathematics i.e. certificates/ participation in STEM based competitions and opportunities i.e. member of Robotics club, Distinction in Science Competition, Olympiad participation etc.

Additional Application Requirements for Creative Arts Scholarships

1. Submit a Folio of Finished Artworks: Provide 1–3 finished artworks. Your folio may include images of 2D and 3D works, as well as video and sound works. These works should demonstrate your creative potential and technical ability. PDF, MP3, MP4 files or links to a document-sharing platform (i.e. Google Drive, Dropbox) can be submitted to admissions@sac.vic.edu.au. Please include student name in the subject field. Copies of the works may also be provided when the application form is submitted.
2. Describe briefly the process used to make the works, the key concepts and ideas, and why you are proud of them. (250 words)
3. Discuss one exhibition you have been to recently or seen online. What was the exhibition? What are your thoughts about the exhibition? (250 words)

OR

Select an artwork that you are inspired by. Name the artist who made the work and provide the name of the work. Describe this artwork and explain why you are drawn to it. (250 words)

Terms and Conditions

- Partial remission up to 50% of tuition fees to the end of Year 12 is provided, subject to the student's continuing superior performance and their ongoing contribution to the life of Sacré Cœur. This will be assessed on an annual basis and unsatisfactory performance may result in the withdrawal of Scholarship entitlements.
- Scholarships do not cover:
 - Entry fees
 - Uniforms
 - Text books
 - Camps
 - Transport
 - Annual Building Fund Levy
 - Sundry fees that may arise from time to time
- If awardee subsequently leaves the School, the scholarship will be required to be refunded in whole by the family.
